

Your go-to Partner for
FBA's & BIP's

If your district is struggling
with **FBA's and BIP's...We can help!**

thehangoutspotllc.com/theskillschool

We understand your challenges:

Are you unable to make progress against a backlog of FBA's and BIP's?

Do you lack the internal resources to complete them in a timely fashion?

Are parents requesting that FBA's and BIP's be provided through an external resource?

Does your team need support developing and implementing BIP's that are sufficiently individually tailored to the student's needs?

How we can help:

- ✓ The Skills School offers a different, more comprehensive lens than other providers by including a robust social component through which behavior can be viewed
- ✓ We have unmatched expertise in trauma-informed care
- ✓ We have deep experience in both public and private school environments
- ✓ We can respond and staff most requests within 2 weeks
